RE: Antone Quarry (M/045/021) and Little Mountain Quarry (M/045/005)

Dear Wayne:

This confirms that you and other staff members and officials with the Division of Oil Gas and Mining are authorized to communicate with Mike Malmquist, a Salt Lake City attorney with the firm of Parsons Behle & Latimer, whom has been retained by Lone Star Industries and its wholly-owned subsidiary, Utah Portland Quarries, Inc., to assist them with permitting and other matters related to the above-referenced mining operations. Mr. Malmquist informs us that the Division recently adopted a policy of seeking authorizations from operators to allow such communications with attorneys. This letter serves that purpose.

If you have any questions, please call me at (317) 706-3362.

Sincerely,

Gregory J. Morical
